

Hope Women's Center Banquet

Hope Women's Centers held its annual banquet on March 30th at the Signature Grand in Davie. As in past years, over a thousand people attended this

event.

Our Mission

Hope Women's Centers exist to encourage and equip women to make informed choices regarding unplanned pregnancies.

We believe God has strategically placed our ministry in Broward County because over 15,000 abortions were performed here in 2006.

We know that life is precious because He created it. We must reach out to women who think abortion is their only choice. Women deserve better options than abortion.
