Take the One Year Bible Challenge: Read the enire Bible in One year

Take the One Year Bible Challenge! Even many non-Christians will admit that the Bible is one of the most influential books in the history of the world. As a Christian, I know the Bible as literally the most important book ever written. At the end of a year, you will have read every single word in the Old and New Testament of the Bible by investing about 10 – 20 minutes of each day. If you haven’t read the entire Bible you should. If you have read the entire Bible, you should read it again. This YouTube video is an introduction to both the challenge and the plan.
