Christian Mens Breakfast, Saturday, December 18, 2010

See ReadTheWholeBible.COM for more information on the ONE YEAR BIBLE CHALLENGE! The discussion notes (PDF / TEXT) for breakfast on Saturday, December 18, 2010 are now online – *"A Bird's Eye View of the Old Testament"*. Last week we took on the impossible task of reviewing the *New Testament* in 60 minutes. This week is the review of the OLD Testament in 60 minutes. Since the Old Testament is about twice as long as the New Testament, our goal this week is twice as impossible. Actually, we are hitting only the high points of who wrote the *Old Testament* and when. *Study verses: Isaiah 40:28-31.*
