CHRISTIAN MOVIE REVIEW: Dead Awake (2010)

This is another movie in which you are not sure who is dead and who is alive. The main character in the movie works in a funeral home. He fakes his death as part of a bet to see if anyone would come to his funeral. Or is he *really* just “faking” his death?? He meets up with his old girlfriend from 10 years ago, when they were seniors in High School. They have issues.
