Christian Mens Breakfast, March 26, 2011

The discussion notes (PDF / TEXT) for breakfast on Saturday, March 26, 2011 are now online – *"The 'Wrong' Element"*. God's rule with the Midianites was to take (almost) no prisoners. Literally. God did not want the Israelites to be corrupted by the sinful influence of the Midianites. Yet Jesus made a point of dining with sinners, because they needed to hear his word. What's going on here? Should be a good discussion this week! *Discussion verses:* Numbers 31:7-18 and Luke 5:29-32

Please remember to register to attend Davie's annual Christian Prayer Breakfast on May 5, 2011, 7:00 am to 9:00 am at the Signature Grand in Davie.
