Christian Mens Breakfast, Saturday, December 11, 2010

The discussion notes (PDF / TEXT) for breakfast on Saturday, December 11, 2010 are now online – *"A Bird's Eye View of the New Testament"*. This week we take on the impossible task of reviewing the *New Testament* in 60 minutes. Actually, we are hitting only the high points of who wrote the *New Testament* and when. Any by the way, how did it get to be the *New Testament* anyway??? *Study verses: Acts 3:1-10 and Acts 4:5-21.*
