Christian Mens Breakfast, January 29, 2011

The discussion notes (PDF / TEXT) for breakfast on Saturday, January 29, 2011 are now online – *”God can use EVEN YOU!”*. Did you ever feel like you aren’t really important enough to accomplish anything for God? You aren’t the first person to feel this way. Yet throughout history, God has frequently chosen the least likely of his servants to carry out his instructions. Keep an open mind. God might need YOU! *Discussion verses:* Exodus 6:28 to 7:13 and Matthew 18:15-20.
