

# Most important technology? Blog poll

People are so dependent on modern technology, to the point of being ridiculous. Which one of the following items is MOST important to you? Or, phrased another way, which modern device would you LEAST like to give up?

**Most important technology? If you could have ONLY ONE of the following items, which one would it be?**

- Sliced Bread
- Desktop or Laptop/Netbook computer (with internet connection)
- mp3 player
- Ipad or other tablet device
- GPS device
- Cell phone (texting, browsing, etc)
- wristwatch
- Television
