Christian Mens Breakfast, February 5, 2011

The discussion notes (PDF / TEXT) for breakfast on Saturday, February 5, 2011 are now online – *”Life’s Not Fair”*. This week we’ll take a quick look at the Exodus. We’ll also look at the *“Parable of the Laborers in the Vineyard.”* It turns out that children aren’t the only ones who complain when life (or God) isn’t treating them fairly. In fact, as we see, this behavior has been going on for thousands of years. *Discussion verses:* Exodus 14:1-4 and Matthew 20:1-16
